PROFESSIONAL SUMMARY

Full Stack Developer (MERN) with hands-on experience in building scalable, secure, and real-time web applications. Strong knowledge of JavaScript, Node.js, React, MongoDB, REST APIs, authentication, and backend architecture. Passionate about solving real-world problems and continuously learning modern technologies. Seeking an opportunity to contribute to high-impact product development.

TECHNICAL SKILLS

- **Languages:** JavaScript, SQL
- **Frontend:** HTML5, CSS3, React.js, Tailwind CSS, Bootstrap
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** MongoDB, MySQL, Mongoose
- **Tools:** Git, GitHub, Postman, Railway, Render, VS Code
- **Concepts:** Data Structures, OOP, MVC, JWT, Authentication, Authorization, CSRF Protection, 2FA

PROJECTS

YatraStay – Accommodation Booking Platform

MongoDB | Express | Node.js | React | REST APIs

- Developed a full-stack accommodation booking platform that allows users to list properties, search stays, and manage reservations. Built scalable REST APIs using Node.js, Express, and MongoDB with secure authentication and authorization. Implemented dynamic search, filtering, pagination, CRUD operations, and responsive UI to enhance user experience and performance.

Authentication & Authorization System

Node.js | Express | MongoDB | JWT | Nodemailer

- Built a secure authentication system with email OTP verification and role-based access control. Implemented password hashing, JWT-based authorization, session management, and integrated SMTP services to ensure application security and scalability.

E-Commerce Platform with Admin Dashboard

Node.js | Express | MongoDB | REST APIs | JWT

- Developed a full-stack e-commerce platform with product management, cart, order processing, and secure checkout. Built scalable REST APIs using Node.js and MongoDB with role-based authentication for users and admins. Implemented product filtering, pagination, and order tracking, along with a responsive UI and mock payment integration to simulate real-world transactions.

EDUCATION

B.Tech – (Computer science & Engineering) AKTU University
